# Camelbak® Thrive Flip Straw VSS 750ml

The Camelbak® Thrive Flip VSS (vacuum insulated stainless steel) water bottle is designed to support all-day hydration. It comes with an integrated bumper to protect against dents and to ensure a secure grip on nearly any surface. A strong and durable full powder coat finish keeps drinks tasting great, while the double-wall vacuum insulation keeps them hot or cold for hours. Other features include a straw and a EasyFlow valve, 100% leakproof cap, a dust cover for protection, and a soft pivoting handle for easy carrying. The design fits in most cup holders, making it convenient for travel or day hikes. The entire bottle is dishwasher safe for quick and easy cleaning.

# Stanley IceFlow™ 2.0 700 ml water bottle with flip straw

The 700 ml IceFlow™ 2.0 water bottle features advanced AeroLight™ technology, making it 33% lighter than standard stainless-steel bottles. Its featherweight spun-steel insulation keeps your water ice-cold for hours, making it ideal for workouts or daily hydration. The folding handle allows for easy carrying, perfect for grabbing on the way to a yoga class. The flip straw lid features a larger opening and a built-in straw for quicker hydration—just flip it open to sip and snap it shut when you're done. The spout can be removed for a deeper clean, ensuring fresh-tasting water every time. Recycled stainless steel.
